### West D – Reunion HQ

Residence life again where the beer will flow like wine! Bring your 80s music.

### Friday PM: Morty's Pub

Drop by for an informal meal or just for drinks. Morty used to deliver pizza to the villages in our day. He now runs a favorite local wings and beer place.

### Saturday AM: Bicycle Ride

Join the intrepid (or crazy!) for an early morning ride in the country – weather and hangover permitting!

### Saturday PM: Scotty's BBQ

Scott has graciously offered his beautiful South Kitchener home for a BBQ picnic and fun volleyball. He has a wonderful place, great for us to relax and reconnect. BYOB. Bring your evening attire, stay late, and go directly to dinner if you want.

### Saturday PM: Charcoal Steakhouse

The most formal we will get! Enjoy each other's company over a nice meal in our own private room at a great Kitchener landmark restaurant. We've arranged for a fixed price three-course menu at \$55 per person including tax and gratuity. Your drinks are extra.

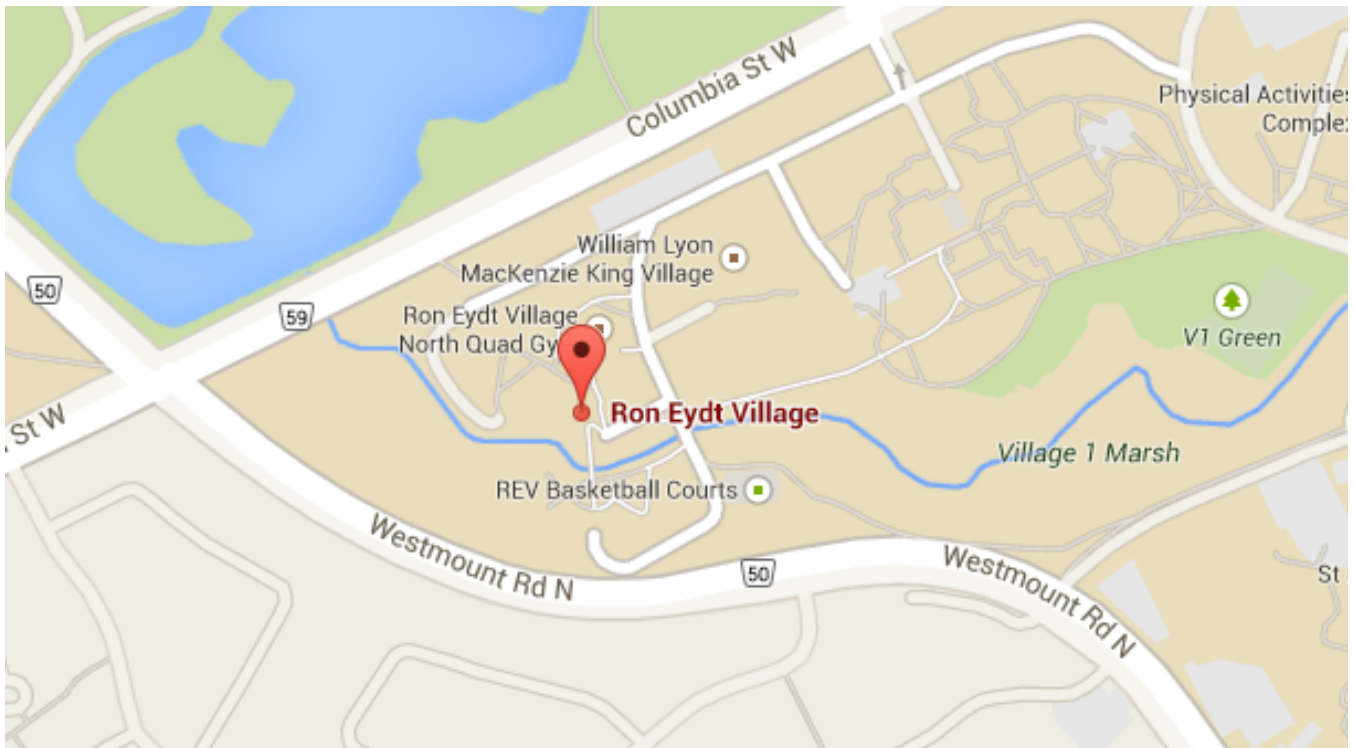

### Sunday AM: Angies

Nothing more needs to be said. Our tradition Sunday breakfast venue continues. Remember, it's the St. Agatha location.

### Ride Sharing & Designated Drivers

The schedule requires some driving back and forth. We had hoped that the BombShelter would be open. It's not so we had to scramble a bit to put together this agenda. We will share rides and designate drivers to get around.
